

CROP™

8-16-4

Agricultural Foliar Bio-Fertilizer

Description:

CROP™ is an organic based bio-fertilizer blend that is formulated for use on all Agricultural Crops. It contains a high phosphate nutrient blend in a base of organic acids and enzymes. This vital bio-complex delivers these nutrients through the leaf stomata and the plants cell-wall to promote dynamic bud formation and setting as well as earlier root, crown and tiller development.

Benefits of Use:

- ◆ Enhances bud setting and overall vigor of blooms
- ◆ Correction of phosphorus deficiency.
- ◆ Increased root growth.
- ◆ Improved establishment rate
- ◆ Reduced seed loss.
- ◆ Improved horizontal growth and tillering.
- ◆ Stimulates microbial activity.
- ◆ Easily sprayed on or applied through center pivots.

Application Instructions:

CROP™ is a highly concentrated product formula and should be mixed with water prior to application to ensure adequate coverage.

Agricultural Use: Use 1-2 quarts per acre as foliar spray. Dilute in 3-20 gallons of water. Surfactants may be used but are not required.

CROP™ is just one product from Biofeed Solutions, Inc. that may be used as part of your fertilization program to help maximize profits. Use as directed your Biofeed Products dealer.

MSDS available upon request.

SHAKE WELL BEFORE USE.

Guaranteed Analysis:

Total Nitrogen.....	8.00%
7.0% Urea Nitrogen	
1.0% Water Soluble Organic Nitrogen	
Available Phosphoric Acid (P ₂ O ₅).....	16.0%
Soluble Potash (K ₂ O).....	4.0 %

Derived from Urea, Protein Hydrolysate, Phosphoric Acid, and Potassium Nitrate.

Also Contains natural humic acids, enzymes, amino acids, cytokynins and biostimulants and natural buffers.

Physical Characteristics:

10.7 lbs./gal. pH 7.9; (0.84 Lbs N/gal)

Availability:

2.5 gallon jugs (2 jugs per case), 5 gallon pails, 55 gallon drums or 275 gallon bulk containers.

Condition of Sale:

The information herein is believed to be accurate and reliable. Buyer and user assume all liability from use of this material. Follow directions carefully. Timing, method of application, weather, plant, crop or turf conditions and other factors are beyond the control of the seller.

Storage and Disposal:

Keep product in original container. Do not transfer into food or drink containers. Triple rinse and empty for recycling. Always dispose of container in accordance with local, state and/or federal regulations.

Caution:

Keep out of reach of children. May be harmful if swallowed.

FOR AGRICULTURAL USE ONLY
