

X-CELL™

Concentrated Bio-Catalyst/SST

Description:

X-CELL™ is a concentrated biological catalyst that utilizes Biofeeds' exclusive Selective Substrate Technology (SST) to aid the neutralization and breakdown of a variety of soil and plant applied herbicides, pesticides and other chemicals.

X-CELL™ forms a bio-complex with these same chemicals in the soil and holds them in a form that is more easily digestible by soil microorganisms. This results in a cleaner, detoxified soil environment that is more conducive to healthy plant and bacterial growth.

Benefits of Use:

- Accelerates the breakdown of herbicides, pesticides and other toxic chemicals
- Blocks unwanted chemical uptake by the plant
- Reduces chemical damage to plants, turf and crops
- Environmentally safe formula

Chemical Characteristics:

Contains a concentrated solution of Xanthoprotein, enzymes, organic acids, complex carbohydrates and co-enzymes.

Physical Characteristics:

9.9 Lbs. Per Gallon. Ph 7.2

Storage and Disposal:

Keep product in original container. Do not transfer into food or drink containers. Triple rinse and empty for recycling. Always dispose of container in accordance with local, state and/or federal regulations.

Application Instructions:

Herbicide or Pesticide Contaminated Soil:

Apply 4-8 ounces per cubic yard of soil diluted in at least one (1) gallon of water. Spray on and till contaminated area to ensure thorough mixing. Repeat treatment every 2-4 weeks until desired results are obtained. Till soil once per week and keep slightly moist but not wet.

Contaminated Turf, Plants or Crops:

Apply 1-5 gallons of X-CELL™ per acre, with sprayer. Dilute in enough water to ensure complete coverage of soil prior to irrigation. Repeat treatment every 2-4 weeks over a 90-day period or as directed by a qualified Biofeed Rep. Irrigate thoroughly after each treatment.

NOTE: Some contaminated sites may require the addition of other Biofeed Products or technology. Consult your Rep for specialized treatments.

Condition of Sale:

The information herein is believed to be accurate and reliable. Buyer and user assume all liability from use of this material. Follow directions carefully. Timing, method of application, weather, plant, water or turf conditions and other factors are beyond the control of the seller.

Caution:

Keep out of reach of children. May be harmful if swallowed.

SHAKE WELL BEFORE USE
