

FLOREX™

4-8-2

Crops, Flowers, Shrubs and New Lawns

Description:

FLOREX is an organic based bio-fertilizer blend that is formulated for use on Agricultural Crops, flowers, flowering shrubs and as a new lawn starter to enhance the germination rate, rooting and overall establishment of newly seeded turf areas and sod. It contains primary nutrients in a base of organic acids and enzymes that are essential to earlier root growth and crown and tiller development.

Benefits Of Use:

- ◆ Enhances bud setting and overall vigor of blooms and flowers
- ◆ Faster establishment of newly seeded turf and sod
- ◆ Corrects phosphorus deficiency
- ◆ Increased root growth
- ◆ Improved germination rate
- ◆ Reduced seed loss
- ◆ Improved horizontal growth and tillering
- ◆ Stimulates microbial activity
- ◆ Easy foliar application
- ◆ For use year-round

Application Instructions:

FLOREX™ is highly concentrated and should be mixed with water to ensure adequate coverage.

Agricultural Use: Use 1-2 quarts per acre as foliar spray as directed your Biofeed Products dealer as part of a Biofeed crop enhancement program.

Turf: Apply 2-4 gallons per acre in 50-200 gallons of water or for smaller areas, apply 8-32 ounces per 1000 square feet in 2-4 gallons of water. Water thoroughly.

Flowers and Flowering shrubs: Mix 1-2 ounces per gallon of water in tank sprayer or hose-end sprayer. Spray on foliage to point of runoff or apply to soil.

Guaranteed Analysis:

Total Nitrogen.....	4.00%
3.0% Urea Nitrogen	
1.0% Water Soluble Organic Nitrogen	
Available Phosphorus (P).....	8.0%
Soluble Potash (K ₂ O).....	2.0 %

Derived from Urea, Protein Hydrolysate, Phosphoric Acid and Potassium Hydroxide.

Also contains all natural humic and fulvic acids, surfactants, enzymes, amino acids, biostimulants and buffers.

Physical Characteristics:

10.0 lbs./gal. pH 7.0; (0.64 Lbs N/gal)

Availability:

2.5 gallon jugs, 55 gallon drums or 275 gallon bulk containers.

Condition of Sale:

The information herein is believed to be accurate and reliable. Buyer and user assume all liability from use of this material. Follow directions carefully. Timing, method of application, weather, plant, crop or turf conditions and other factors are beyond the control of the seller.

Storage and Disposal:

Keep product in original container. Do not transfer into food or drink containers. Triple rinse and empty for recycling. Always dispose of container in accordance with local, state and/or federal regulations.

Caution:

Keep out of reach of children. May be harmful if swallowed.

MSDS available upon request.

SHAKE WELL BEFORE USE.
